

The Volunteer Charter

Signatory list, 8 April 2025

| Welcoming All, Growing Together

The Volunteer Charter

The Volunteer Charter comes in two segments, one for Organisations and one for volunteers and can be used to clarify expectations from both sides when a volunteer takes up a role in your organisation. By implementing this Volunteer Charter you are creating a clear foundation of the relationship with volunteers and by ensuring the charter is followed, generating an increased quality in the volunteering experience.

The Volunteer Charter currently impacts over **34,443 volunteers** listed in the organisations below.
